From The President's Desk.....

Hello Everyone!!

Wow! What a weekend we had at the 2010 UKC Premier.

My personal highlight was the Meet and Greet. It was so wonderful getting to meet new people and catching up with old (not that any of us are OLD) acquaintances. Even Bizbee, the poodle disguised as a Chihuahua had fun! And what a great time seeing all the wonderful poodles everyone brought.

Now this old Colorado gal did have some problems with the humidity since I'm used to about 20% rather than 95% give or take. But the camaraderie certainly went a long way towards making the humidity bearable.

The National Specialty was outstanding! We had a great judge and I certainly appreciated him sharing his thoughts about the dogs he was judging with each of us. Yes, Sherman and I were a little disappointed, but we certainly can't feel too bad given the great quality overall of the competition. Every one of our dogs deserved to win! Congratulations to those that did.

And the raffle, OMG! Thank you, thank you, thank you to everyone who contributed items for the raffle and who purchased tickets. The raffle quilt was beautiful. I just can't believe that J Ray won both the raffle quilt and the quilt presented for Best in Specialty Show. Guess he has both good luck and good looks (the dog's) on his side. BTW, he graciously allowed me to take the BISS quilt home to enter in our county fair which was at the end of July. It placed 5th and the judge said the best feature was the variety of fabrics used to depict the poodles. So, the quilt is on it's way home to J Ray. I'm gonna miss it!

Well, as I've said before, this is your club. Please let any of the board members know what you'd like to see the club doing and by all means, volunteer your talents, spirit and passion to the betterment of poodles. We need you!

Hope you all enjoy the real Dog Days of Summer!

Regards,

Karen Scopel

FROM OUR SHOW CHAIR.....

Premier seemed like such a whirlwind.....
Maybe because it was!!!

The Meet and Greet was so nice! I think we had well over 50 people in attendance. Wonderful to put faces with MCPCA members that we only "see" on the chat groups . and the POODLES too!!

MCPCA drew in over 60 entries, plus the NL classes.

I think we gave out almost all our Ribbons! I did mess up and not give out two trophies that will need to get to the rightful owners.

Most of all I must give my heartfelt thanks to so many committee members. With it being a new location for UKC, there was no table to take DOS entries. Natalie and Kelly did a great job of improvising their grooming tables (the their neighbors).

The Welcome bags were awesome!! Just wish again that we could have had a formal table and area for them.

"Ruth and Company"What can I say. Still brings Goosebumps to see how you put together that incredible raffle table!! \$850!!!!!!!!!!!!!! I have never seen such beautiful raffle items. It was nice to see that J Ray Johnson (our 2008 Judge) won Brenda's quilt. Last year at premier J Ray became deathly sick and was rushed to the hospital.

Trophies again were VERY nice!! Some of the winners couldn't carry everything for their victory laps. But this is what a specialty is all about.... (lots of bling :-) and wonderful memories

Reflections About the MCPCA Raffle.....

from Show Chair Gloria Ogdahl.....

I don't think there are enough words to express how **PROUD** I was of the Raffle Committee!!! There were literally, dozens of boxes to sort... I didn't get to see much of the raffle, but it took up at least 3 tables!! It was a long day for sure, but what a turnout!

Are you ready for the RAFFLE???

EIGHT HUNDRED FIFTY TWO!!! yup, \$852.00

Someone told me that J Ray (our Judge for 2008) won Brenda's Quilt.

from Raffle Committee Volunteer Ruth Parulis.....(pictured left)

We had fun even though we were totally pooped out by the end of the night.

from Raffle Committee Volunteer Michelle Golding (pictured right)

We kicked butt on the raffle didn't we !!!!!!!!!!!

Meet & Greet.....The Food.....The Fun....The Conversation...

Member Reflections.....

What a delight to meet everyone there... even though I was running. I enjoyed talking to you all. This was my first Premier, hopefully not my last--

Karen Kearney

Many many congrats to everyone who won at Premier!!!! I had a great time and loved meeting you all and putting a face with a name Susie and I will definitely be there again next year!!!!

REFLECTIONS FROM OUR SPECIALTY JUDGE.....

I had an absolutely wonderful time at the **2010 MCPCA National Specialty**. The quality of the over-all entry was something to be seen. As a judge that has judged several National Specialties, I can't say that I've ever handed out so many "Awards of Merit" at one single specialty. The poodle breeders should be proud of themselves. It was such a pleasure judging this entry and the sportsmanship amongst competitors was refreshing. Thank you all so much for this once in a lifetime opportunity.
