PRESIDENT'S MESSAGE.....

To MCPCA Members.....

Bark! Bark! Hooray! What a fantastic specialty we had!

Kathy, Chris, Ruth and many more did a bark up job and deserve a lot of tail-wagging!

We had a great raffle with some terrific donations from many members.

I know there were some frustrations with the timing and set up due to UKC's requirements. It was certainly challenging to do Top 10 breed and semi-finals, show in the United Retriever Club specialty, then scramble to get our specialty set up following a couple of other breed specialties in our ring. I think we'll need to discuss what we want to do in 2 years for our next one. But, all told, it was a great success.

The Meet and Greet was great. How nice to renew our friendships in person and meet some new folks that are interested in our beloved multi's.

I still think we should have stormed the dock diving pool and done a splash mob!

SHOW CHAIRMAN REPORT.....

To MCPCA Members.....

Well Premier is here and gone, and I believe everyone involved can say, "What a whirlwind!"

Thank you to everyone that entered and supported our show. We had an entry of 50 including Novice Puppy and Altered entries. It was great seeing everyone from around the country and even a few from Canada.

A special thanks to our Specialty Judge Mary King. Also a big thank you to Phil Tanner and Richard Klatt for keeping the show running and make it fun along the way.

Big shout out thank you to Chris Musson for personally helping me set up the ribbons and trophies.

Thanks also to all the committee members and those that donated trophies and items for the raffle table.

Can't forget our Raffle table Coordinator, Ruth Parulis for setting up and running the raffle table. Thanks so much! That was arranged so nicely and looked gorgeous. Ruth even brought her own help; best friend Mary. Mary doesn't even own a poodle, but is just a great friend and she has helped out at past MCPCA events.

To those of us that had our first experience at running a Specialty Show, a lot was learned. We are already thinking of ways to improve the next show.

Note to self; Do not enter dogs that I plan to show myself! LOL Lucky for me, my beautiful daughter, Nicole, stepped in and showed all our dogs herself, and made me very proud.

Remember the UKC Premier is held every year, but our MCPCA Specialty is only held every two years, so we all have lots of time to plan!

Until then.....

Kalamazoo or Bust 2014!

An exceptional BIG "Thank You" to the following members for their handmade items:

**Bren Osborn for the beautiful resin and poodle magnets and items*

**Lavena Chapman for the beautiful Poodle quilt (with the paw print stitching)*
