From the President's Pen

By Eleni Stevens

Are we really coming up on 2012?

Our specialty has come and gone. Lorraine Tayeb did a fantastic job and I've heard nothing but good reviews. Hopefully we will get a blow by blow from her at the Annual Meeting on December 28, 2011, via Chatzy – see notices on the group e-mail.

Here's a recap of the slate of officers for our unopposed elections:

Eleni Stevens, President
Second Term

Susan Dearholt, Vice President
Second Term

Kelsey Wolf, Secretary
Second Term

Gloria Ogdahl, Treasurer
Second Term

Becky Baxter, Membership
First Term

This will be our last newsletter from our current editor, Jennifer Girard. Our newsletter is a vital part of UPBA, keeping us in touch with each other and up to date on a variety of topics.. If the newsletter is your area of interest or expertise, please step up and give it a try. If you think you would like to try it but maybe

can't do the whole job, let us know and we'll try to divide up the responsibilities and get more than one person involved.

Hope to "see" you all at the meeting next week.

Merry Christmas and Happy New Year to you all! I look forward to a better 2012 for all of us. (If this year was good for you, I hope 2012 will be better and, if this year wasn't so great, I really hope 2012 will be an improvement!)

Take the Poodle Health Survey

Please fill out this survey for each Poodle (Standard, Miniature or Toy) you have owned since 1985 (living or deceased; healthy or with health issues). Please complete one survey for each dog and designate the Variety for each dog. The results of this survey will help us see both overall health as well as the health issues facing our Poodles, and will serve as a guide to help ensure we focus our effort and money where they are most needed.

Personal information and pedigree information are not part of this survey and are not needed in any way to complete this survey. Information submitted is not identifiable and specific Poodle names are not required or requested.

If you know any Poodle owners/breeders who do not have computer access, they can obtain a hard copy of the survey by contacting the PCA Foundation at P.O. Box 1, Geyserville, CA 95441-0001.

Please help our Poodles by taking the time to fill out this survey.

My new silver mini pup completed her CH and had 3 BOBs, her first time out.....just turned 7 months. So she is now UKC CH Clas Haus Annie Oakly at Ecola. Her sire is AKC CH Cabryn's Lone Ranger, #10 top mini in AKC in 2007. After she is through showing in UKC, she will begin her AKC competition....if she gets big enough.....she is on the small side, but still growing.

My red/white multi boy (12 months old) completed his Grand Championship the same weekend, and picked up 6 more TT points. So he is now UKC GR CH ReineHaus N' Ecola Dinozzo.

Hi All,

My name is Jane Burkey, and I have a beautiful little silver Miniature Poodle (F) named "Kallista's BD's Star Duzit". I got her from Marlene Tracy Miller over in Clarkston, WA. She just turned a year old on 10/18/11, and just 4 days later she entered her VERY FIRST official competition - a Flyball Tournament. Our first race was a little weak, but then Star turned on the heat!! Over the course of the weekend, she earned THREE Flyball titles (Flyball Dog (FD); Flyball Dog Excellent (FDX); AND - Flyball Dog CHAMPION (FDCH!))!! She totally inspired the team - and we ran better than we have in several years! The FD requires 20 points; FDX = 100 points, and the FDCH = 500 points!! Last time the team earned that much in one weekend was 2006!! AND, Star's best time over the weekend was a BLAZING 4.785 seconds!!! Fastest (and smallest) dog on the team! Star ran every single heat (except TWO) for the whole weekend. She really did prove to be a STAR! Attached is a picture of her FLYING over a jump (was taken at a practice).
